This rather interesting set of documents is held by the John Rylands Library University Library at the University of Manchester. I was able to obtain copies of the two page document but I am not permitted to share those originals. However, I am able to discuss them within the realm of Pincombe Research and transcribe them.

First of all what do I know about John Pincombe, gentleman, of South Molton who died the 18th November 1604. He left his will dated 25 Jul 1604 and probated 15 Apr 1605

Looking at Chart 1-2 created by the earlier researchers (Richard Pinkham, MD and Galen Pinkham) I do find a John Pincombe but the details given do not appear to fit with this will dated 1604 and probated 1605. I then went to the Visitation of Devon dated 1620 page 594 and titled Pincombe of Southmolton (copy of the Original Visitation (material in italic in the image below) Visitation of Devon 1620, Hurl. MS. 1163 fo. 95b, not signed).

PINCOMBE OF SOUTHMOLTON.

ARMS:—Per pale Gu. and Az. three close helmets Arg., garnished Or.
 CREST:—An armed arm embowed ppr., purpled Or., holding in the hand a Poland mace
 Arg., fastened to the arm with a scarf Gu.

... *Pincombe* of Northmolton, come thither with the *Lo. Zouch*
 about the beginning of the reign of *K. Henry 7th*.

. The portion of this pedigree printed in *italic* is a copy of the Original Visitation of Devon 1620, Harl. MS. 1163, fo. 95 b, not signed.

¹ The Visitation of Devon 1564 contained in Harl. MS. 1080, fo. 64 b, commences with this.

² The Original Visitation begins here.

³ Washfield Parish Register.

⁴ Southmolton Parish Register.

⁵ Crediton Parish Register.

As can be seen there are several John Pincombes on this chart – son of Christopher Pyncombe of Southmolton and another John Pyncomb son of John Pyncomb of Southmolton. In neither case are the grandchildren named in this will or the children listed on the Visitation. My thought was that this John Pincombe is likely one of these two men.

In this will John Pincombe mentions that he is the elder of Southmolton but that could mean that there is a younger John Pincombe but does not imply that that person is his son. He mentions his daughter Alice (now deceased) who married Roger Webber and they have five children Rebecca married to Hughe Tucker, Agnes, Margarett, John and Susanna. The will is mostly about these children and principally the daughters. The testator does not name any sons in this will. He names his youngest grandchild as Executor when she is 20 years of age which she attains in 1612 giving her a likely birth year of 1591-2. As her mother's likely youngest child her mother was perhaps born in the 1550s-early 1560s and this John Pincombe was born possibly in the 1520s. With that in mind I return to the visitation and the top of the chart is an unknown Pyncomb who arrived with Lord Zouch at the beginning of the reign of King Henry the 7th (1485). He is listed with three children John of Northmolton, John of Southmolton and Thomas of Filleigh, East Buckland. So an interesting view of just whom this John Pincombe might be. Personally I am not sure that he appears on this Visitation but he could be the one at the top under the unknown Pyncombe who could have come as a very young man (straight from the Battle of Bosworth so not particularly in favour with the King that is for sure). If he was just in his teens in 1485 then a son born by 1520 sounds possible although more likely a grandson. One item that I do notice is that he does not name any Pincombe relatives which is perhaps suspicious in itself.

In that this newsletter has now exceeded the usual length I will continue discussion on John Pincombe in the next issue of the Newsletter.

2. Landkey Parish Records

These baptismal records are transcribed from the fiche of the original Parish Records for Landkey, Devon. I have changed the orientation of the newsletter to make it easier to publish the transcriptions for Landkey directly from my Excel file.

3. North Molton Parish Records

These baptismal records are transcribed from the fiche of the original Parish Records for North Molton, Devon. I have changed the orientation of the newsletter to make it easier to publish the transcriptions for North Molton directly from my Excel file. This complete the baptisms as far as I have copies of the original register on fiche. The next issue will have the marriages.
